

ALFRED WONG

Degree Student in Software Engineering

About Me

I am a Software Engineering undergraduate with a completed Diploma under the same field, giving me a solid foundation and hands-on experience in software development. Through my studies and projects, I have developed a strong technical skill in programming, web technologies, and system development. I am eager to apply my knowledge in real-world environment, contributing to impactful projects, as well as continue to learn and grow to be a versatile and reliable software engineer.

EDUCATION

Diploma in Computer Studies

UOW Malaysia KDU

2022 - 2023

CGPA: **3.92**

Bachelors of Software Engineering

UOW Malaysia KDU

2024 - Current

CGPA: **3.93**

NOTABLE PROJECTS

Resource Request Page – Software Engineering Intern

Duration: June 2023 – Aug 2023

Description:

- Worked a web application allowing company staff to submit material or item request efficiently.
- Built responsive UI for a request form page, summary page, and dashboard with Chart.js.
- Implemented back-end logic and database integration using Django and MySQL to store and manage requests.

Parking Guidance System – Final Year Project

Duration: June 2025 – Dec 2025

Description:

- Developed a web-based parking guidance system to help drivers locate available space in multi-level parking facilities.
- Designed and implemented real-time occupancy tracking, reservation, and navigation features.
- Built using HTML, CSS, Bootstrap, JavaScript/jQuery, AJAX, Django, XAMPP, and MariaDB

WORK EXPERIENCE

June 2023 – Aug 2023

TAMCO Switchgear

Software Engineering Intern

- Worked a full-stack web application, handling both front-end and back-end components.
- Designed responsive user interface using HTML, CSS, Bootstraps, JavaScript, jQuery, and AJAX.
- Performed debugging and testing to ensure the web application met functional requirements.

SKILLS

Technical Skills

- Python
- Java Programming
- HTML
- JavaScript / jQuery
- CSS / Bootstraps
- Django Framework
- XAMPP

Soft Skills

- Problem-solving
- Communication
- Teamwork
- Adaptability
- Attention to Detail
- Critical Thinking

LANGUAGE

English

Chinese
